

EC Spikers Bid for Relay Title

Eight El Camino College track stars will compete in the West Coast Relays at Fresno Saturday. Coach Ray Southstone announced today.

Representing the Warriors in the annual event which draws cindermen from leading colleges of the West will be Mike Thornton, Richard Fernandez, John Petersen, Richard Dillon, Glen Oclassen, Floyd Schmidt, Dennis Jett and Bob Severance.

The octet will participate in the 100-yard dash, one-and-two-

mile relays, the distance medley, the 5,000-meter run, the broad jump, and the high jump. Southstone has not yet assigned men to specific events but it seems probable that Jett will run the 100, participate in the high jump and vie for a spot on the relay team, while Schmidt will work the broad jump and support the relay squad. Fernandez is a candidate for the 5,000-meter run.

MISSING first place team Thornton, El Camino ace

honor by 9 2/3 points, El Camino tracksters had to settle for fourth slot in the Metropolitan Conference Championships at Bakersfield during the past weekend. Valley finished first with 82 points, followed by Bakersfield with 74 2/3, Long Beach with 74, El Camino with 72 1/3, San Diego with 68, East Los Angeles with 43 1/3, Santa Monica with 19 1/2 and Los Angeles Harbor with 1 1/6.

miler, broke Metro and school records as he sped through the finish tape in 4:11.6. Teammates John Petersen and Fernandez pushed opponents, placing fifth and sixth. The pace proved too much for the Warrior distance men as only Fernandez could bounce back in the two-mile run, taking second place in 9:48.0.

and set a new school record at 3:19.5 for ECC. Floyd Schmidt garnered a first in the broad jump with a leap of 22-10 3/4 for the Warrior cause.

Hurting badly in the field events, El Camino still managed to place eight in either the first, second or third bracket. Jett took a third in the 100 in 10 flat, while Severance placed third in the 880 with a time of 1:55.6.

SEVERANCE, Dillon, Oclassen and Jett teamed up to take first place in the mile relay

and Fernandez knocked off a third in the two-mile run. Jerry Paquila knocked off a third in the 120-high hurdles in 15.6, and Jett hurdled to a second in the 220-lows in 24 flat.

A win in the mile relay and Schmidt's first in the broad jump brought the ECC team within 2 1/3 points of second place.

Warrior Swimmers Startle State Foes

Shattering eight national and 10 state records, the cream of the junior college swimming crop competed at El Camino College over the weekend with Foothill College capturing team honors.

The northern invaders from Los Altos rang up 91 1/2 points to romp past Long Beach (66 1/2), Santa Monica (60), Valley (49 1/2), El Camino (32 1/2), Orange Coast (17) and 19 other swim teams.

Long Beach, Santa Monica,

Valley and El Camino are all representatives of the Metropolitan Conference, consistently the strongest JC athletic circuit in the state.

FOOTHILL ACE Bob Benson walked off with high point honors for the meet with 18 markers. El Camino's surprising Cappy Sheeley was runner-up to Benson with 15 points.

Sheeley was the individual surprise of the meet.

Sheeley cracked the state mark in the 100-yard butterfly with a 54.3 effort, missing the national record by only .1 of a second. The old mark was set by Santa Monica's Jerry Fredericks in 1961.

IN THE 200-yard butterfly, Sheeley finished in 2:04.4, good enough for second behind a national record-breaking performance by Bakersfield's George Spear.

Spear hit the finish in 2:01.9 to break the national and state record of 2:04.0 that Fredericks established in 1961.

SHEELEY wound up behind a standard-snapping performance in the 200-yard individual medley, taking a fourth in 2:11.7.

Oakland's George Baker broke the national and state mark with a 2:04.8 effort to remove Frederick's 1961 time of 2:05.1.

IN DIVING competition, El Camino's Bob Allred and Glendale's Jay Moxley split the one and three meter crowns.

Allred captured first on the high board, but Moxley walked off with top honors on the low dive.

El Camino was the surprise team of the three-day tournament. The Warriors had managed only a last place in the rugged Metro Conference, but come through performances by Sheeley and Allred, plus clutch efforts by Tom Viren and Jim Graham, pulled the Tribe to unhoped-for heights.

VIREN FINISHED third in the 1500-meter freestyle with an 18:36.7 clocking, and Graham swept to a fifth place tie in the 50-yard freestyle, hitting the net in 23.6.

ECC mentor Rudy Krook termed the Warrior finish "unbelievable."

Tribe Gymnasts Follow Schedule In Metro Meet

Living up to Coach Don Jurk's predictions, El Camino College doubled past point production in Metropolitan Conference finals but still managed only a sixth-place finish this weekend.

As expected, dual meet champion Valley ran away with team honors, passing 163 points on the scoreboard. Harbor was second with 126 1/2 points, while Santa Monica (96), Long Beach (84 1/2), East Los Angeles (55 1/2), El Camino (27 1/2) and Bakersfield (7) trailed.

Despite the Warriors' low finish, Coach Jurk was pleased with his team.

ONE TRIBE gymnast, Denis Oliver, qualified for the Southern California meet tomorrow at Pasadena City College.

Oliver was top man for El Camino, placing in the top 10 in each of the four events in which he participated.

OLIVER qualified for the Southern Cal meet in the parallel bars, taking a fourth with what Jurk described as an "almost flawless routine." Only a freshman, Oliver took 10th in free exercise, seventh on the long horse, sixth on the rings and wound up seventh in the all-around category.

Jim Blacic climbed the rope in 3.9 seconds, but managed only a seventh against a tightly-knit field. Earl Terso followed Blacic in the rope, going up in 4.4 seconds.

Doug Campbell placed eighth on the side horse for the Braves, while Minnie Inouye wound up in an eighth place tie on the rings for ECC.
